

Hello Parents –

My name is Todd Forman, and I am serving as the new Community Service Coordinator at Elder. I am working hard to help us continue our long tradition of giving back and excited to offer some new opportunities for students, parents, and alumni to serve together.

While we require students to serve a total of 48 hours during their time at Elder, our hope is that your son will develop a heart for serving others – not because he *has to serve*, but rather because he *wants to serve*. Our goal is to develop young men who put service before self and grow as servant-leaders – a character trait they will carry with them for the rest of their lives.

Find out more about our community service program by visiting our new website www.elderserves.org and following us on Instagram www.instagram.com/elderserves.

Feel free to reach out to me if you have any service suggestions, concerns, or questions about our service program or your son's service hours.

Thanks!

Todd Forman '81
